and staff

MAY 15 2000

~~Local Boundary Commission~~  
~~MRAD~~

I am writing in objection  
to the Amendments and also the  
incorporation for myself.

I have signed many petitions  
regarding the fact we are not a  
part of the Talkeetna Boundaries.  
Go to the top of ski hill or  
the Railroad tracks, stop and go  
no further

I've lived in my residence  
for 14 years. I don't have power  
supplied to my property.

I consider myself off the grid,  
much less part of a city and  
problems, I do not wish to have  
anything to do with the water/sewer  
new roads parking problems -Dog  
catchers. All that scares me  
as I don't benefit. I just pay  
and get taxed unfair to be  
involved with Talkeetna, and  
problems of being overrun  
parking -driving, ect. Please  
leave me out. I don't feel downtown  
and am sorry to see what's going  
on in Talkeetna. I live 4 miles out of  
town.
